ADA O'Regan-

I apologize for not getting this to you on Friday, but I got called in to court unexpectedly and had to leave work early. As requested, I have attached a copy of my CV (as of 7-3-09). Also, if you wanted to fax the summons to the lab, that would be fine (the fax number is 413-545-2608). If there is anything else you need for this case, or if there are any changes that would affect me (i.e. stipulation), please do not hesitate to contact me. Thank you.

Respectfully,

Sonja
